support@bikrypt.com

# **Core Values**

## **Bitcoin Investment**

We have created different investment plans to suite every class and risk appetite in the investing world to ensure that no one is left out.

## **Bitcoin Trading**

We have put together a team of experts, advisors and experienced traders to ensure that we have a vast team of expert traders.

## **Consortium Blockchain Control**

Bitcoin trading is a very complex and technological process. The good news is that we are partnering with the blockchain consortium network; hence, our team is also in charge of crypto transactions as well as coin delivery.

## **Crypto Lending For Experts**

A crypto loan is a type of secured loan in which your crypto holdings are used as collateral in exchange for liquidity from a lender that you'll pay back in installments. We offer crypto lending services with low to no interest rate.
